February 1, 2021

Dear Valued Customer:

We are writing to notify you of an upcoming change in your garbage, yard waste, and recycle collection service day. We are adjusting our collection routes to continue providing high-quality service in the most efficient way possible. This change will improve service to residents by creating more consistency in collection drivers each week and still allow us to have trucks in the city two days per week.

Effective the week of March 1, 2021, your new service day for garbage, yard waste, and recycle collection will be TUESDAY.

Your last garbage and yard waste Thursday service day will be February 25. Your first Tuesday garbage and yard waste service will be March 2.

Your recycling service will continue to be collected every other week. Your last Thursday service day will be February 18. Your first Tuesday recycling collection will be on March 2.

There will be no other changes to your service or change in your billing as a result of this service day change. We apologize for any inconvenience this change may cause.

We appreciate your business and look forward to continuing to provide you with efficient collection services. If you have questions, or would like more information, please call us at 1-800-592-9995 or visit our website at <http://wmnorthwest.com/mukilteo>.

Sincerely,

Your Waste Management Operations Team
